

## HONEYWELL CC-PDIL01 51405040-175 DIGITAL INPUT 24V MODULE

Our Product Introduction

### Basic Information

- Place of Origin: USA
- Brand Name: Honeywell
- Certification: CO
- Model Number: CC-PDIL01 51405040-175
- Minimum Order Quantity: 1pc
- Packaging Details: BRAND NEW WITH FACTORY PACKAGE
- Delivery Time: 2-3 days
- Payment Terms: T/T
- Supply Ability: 100pcs per week

### Product Specification

- PART NO.: 51405040-175
- Weight: 0.25 KG
- Actual Price: Query
- Condition: New Original With Sealed
- Application: Oil And Gas Factory
- Color: Normal

## Product Description

### Product Description

HONEYWELL CC-PDIL01 51405040-175 DIGITAL INPUT 24V MODULE

### Technical Application

The CEEC300 block provides an execution and scheduling environment in which Control Modules (CMs) and Sequential Control Modules (SCMs) execute userconfigured control strategies. Existing control strategies can be ported to a C300 controller, although manual editing of these strategies is required to support the C300 controller configuration. The CEEC300 block contains a peer-to-peer communications layer which is used to communicate between other controllers. Two IOLINK function blocks, which represent the 2 physical IO links on the C300 Controller IOTA, provide the user-configured I/O Link interface to support communications with Series 8 I/O modules. Each IOLINK is configured to support Series 8 I/O modules or 'No Link' if no I/O control is required. Each IOLINK supports redundant and non-redundant communications. The C300 Controller supports Series 8 I/O modules. Series 8 I/O modules are connected to the C300 by a pair of I/O Link Interfaces. Two IO Link interfaces, which are redundant, provide connection between the C300 controller and associated I/O modules. Each IO links can be configured to support Series 8 I/O modules. Refer to the Series 8 I/O User's Guide for listings of the supported I/O modules.

## Main Brands

Allen-Bradley

### More Support

- 1.Brand new competitive price.
- 2.Prompt delivery and remarkable services.
- 3.100% new products and 100% reliable hight quality.
- 4.Free After-Sale Service,solve all your problems.

- 5.lower your support costs
- 6.Quality is guarantee within 1 year from the date of shipment.

### Packaging & Shipping

- 1)All quote are basic on EX-WORK
  - 2)Delivery time: 3-5 days after payment
  - 3)Delivery term via DHL/TNT/UPS/EMS/Fedex.
- Packaging Details:original packing factory sealed

### Company Information

Wuhan Sean Automation Equipment Co.,Ltd established for over 6 years, believes in providing the best quality,we offer and deliver products worldwide.As a factory automation wholesale distributor,we provides quality new parts along with quality on everything we carry.

We offer a minimum one-year warranty on all products.satisfied for customers are to our purpose.we have been committed to providing quality parts and equipment at the right price and right time to every clients.Many parts are stocked and available with very short lead times to ensure yourparts are available when you need them.

ADD: Building 2, Fanhai International SOHO , Huaihai Road, Jiangnan District, Wuhan,China.

### For Your Information

- 1) Our company is a supplier of automation industrial products headquartered in China.
- 2) We have more than **20,000 PLC** modules and **DCS** modules in stock.
- 3) We are committed to helping customers reduce costs and enrich procurement channels.
- 4) We are committed to providing customers with higher quality products and services

**1 Year Warranty**
